

May 13, 2008

Dear Sassarini School Community,

This evening the Board of Trustees appointed Leticia Cruz as principal of Sassarini School for the 2008-09 school year. I know you will join me in welcoming her to your school.

This past year Leticia was the principal and independent study teacher at Dunbar School. Upon arrival in Sonoma, Leticia taught at Flowery School and was principal of summer school. Leticia received her Bachelors of Arts in Business Administration and her Masters Degree in Elementary Education from Loyola Marymount University. Tomorrow she will matriculate from the University of Southern California receiving her Doctorate of Education.

Leticia brings her breadth of knowledge of educational research, energy and passion, and a deep commitment to educating the children of Sonoma.

Barbara Young  
Superintendent
